Commissioner for Patents

This is a response to the request filed May 6, 2005 requesting that the inventorship in application Serial No. 10/707,308 be corrected under 37 CFR §1.48(a) to indicate that Swarni Ganesh, Robin Carl Schwant, Peter William Schilke, Ling Yang, John Zhiqiang Wang, Robert V. Falsetti, and Francis Alexander Reed are joint inventors of the claimed subject matter.

The required submissions must include:

1. a request to correct the inventorship that sets forth the desired inventorship change;
2. a statement from each person being added as an inventor and from each person being deleted as an inventor that the error in inventorship occurred without deceptive intention on his or her part;
3. an oath or declaration by the actual inventor or inventors as required by § 1.63 or as permitted by §§ 1.42, 1.43 or §1.47;
4. the processing fee set forth in 37 CFR §1.17(i); and
5. the written consent of the assignee if an assignment has been executed by any of the original named inventors.

Applicant's submission is not approved because there is no statement from each person being added as an inventor that the error in inventorship occurred without deceptive intention on his or her part and no written consent of the assignee.

The request is DISMISSED.
